Revision: INT-P-1001.01
Effective: 03/25/2026

NEW BLOOM LABS

Affirmation of Production Method.

Submitter Attestation Regarding Method of Production.

I, the undersigned authorized representative of the submitting entity, hereby affirm the following: The authorized representative of the submitting entity, whose signature appears below, makes the following affirmations:

1. The material submitted for testing, identified above, was derived directly from Cannabis Sativa L plant matter.
2. This material was produced without the use of any non-cannabis reagents, catalysts, solvents, or chemical agents for the purpose of altering or converting one cannabinoid into another.
3. The material submitted was sourced directly and was not derived from another cannabinoid through chemical synthesis, modification, or conversion using non-cannabis-based materials.
4. The plant's molecular structure and naturally occurring cannabinoids were not chemically altered during processing. Processing was limited exclusively to physical or mechanical separation methods, such as extraction, distillation, and purification.
5. The submitter understands that the testing laboratory will retain this affirmation as part of its compliance records under the Alabama consumer product regulations for two (2) years.

Signature

I understand that under penalty of applicable state law, the foregoing statements are true and correct to the best of my knowledge.

Date: 5/19/2026
